

FREE PUBLIC CLINIC FOR COMMUNICATION DISORDERS FROM THE FMU MASTER OF SPEECH-LANGUAGE PATHOLOGY PROGRAM

WHO CAN RECEIVE SERVICES: Individuals seeking diagnosis and services related to communications disorders; and agencies seeking referral points for such services. **FMU** welcomes ongoing collaborations.

WHO WILL BE THE PROVIDERS: ASHA-certified Speech-Language Pathologists from the **FMU** Speech-Language Pathology faculty, and **FMU** SLP students under their supervision.

WHEN: Monday-Thursday, by appointment. Beginning January 2019

WHERE: Carter Center for Health Sciences
200 W. Evans Street
Florence, SC

SCOPE OF SERVICE

The FMU clinic will offer communications disorder services in nine core areas.

- Speech
- Cognition
- Language
- Sensory deficits
- Voice
- Fluency
- Hearing
- Autism

Psycholinguistic Communication Phenomenon

Agencies, facilities and persons in the Pee Dee area who are dealing with communication disorders are encouraged to learn more about this new service through Francis Marion University.
